

Course Details - AHC20416 Certificate II in Horticulture - Youth Education Centre

EASVA Title	Certificate II in Horticulture		
Qualification	AHC20416 Certificate II in Horticulture		
RTO	TAFE (SA) (National Code 41026)		
Host Organisation	Youth Education Centre		
Course Length	2 Semesters (1 year) Two days per week attendance required -Tuesdays and Fridays		
Course Description	Certificate II in Horticulture is a unique program designed for students with an interest in the horticulture and landscaping industries. Garden Links works in conjunction with TAFE SA in developing student' s skills in the areas of horticulture, landscaping and plant recognition giving students a recognised qualification in horticulture, as well as exposure to a range of other VET training packages. This course combines structured workplace learning, practical work sessions and theory into a single package designed to give students an entry level qualification in the horticulture industry.		
Pathways	This certificate is design to be an introduction to horticulture, landscaping and landscape construction and design. Students wishing for further training can enrol in Cert III Horticulture or similar on completion, or can examine traineeship/apprenticeship options in the horticulture or related industries.		
Other Requirements	Work boots (Steel capped), long pants and long sleeved shirt. Students will be supplied with High Vis Tops and basic PPE at start of course
