

Course Details - CPC10111 Certificate I in Construction - Youth Education Centre

EASVA Title	Construction I	
Qualification	CPC10111 Certificate I in Construction	
RTO	Service to Youth Council Ltd (National Code 40053)	
Host Organisation	Youth Education Centre	
Course Length	2 Semesters (1 year)	
Course Description	Certificate I in Construction is designed for students with an interest in the building and construction industry. This program will work in conjunction with Service to Youth Council Inc (SYC) and Housing SA in renovating and remodelling existing Housing SA properties and will provide pathways to vocations within the building and construction industry such as carpentry, concreting, tiling, painting and decorating, joinery, plastering, bricklaying, landscaping and demolition. This course combines structured workplace training, practical work sessions and theory.	
Pathways	This certificate reflects the role of entry level employees within the construction industry. Further study in Certificate II or III in Construction and/or School Based Apprenticeship or Traineeship or a Full time Apprenticeship in the building construction industry may follow this.	
Other Requirements	Work boots (Steel capped), long pants and long sleeved shirt. Students will be supplied High Vis Tops and basic PPE equipment	
Delivery Location(s)	Youth Education Centre, 26-56 Goldsbrough Road, Cavan, SA, 5094 Location to be confirmed by Housing SA. Transport to and from the city provided.	
Dates and Times	35 weekly sessions at Youth Education Centre on Tuesdays from 08:30 until 15:00. Commencement date 02/02/21. Induction and White Card training during first week of the course at the Flexicentre. Students are unable to attend building site until this training has been successfully completed.
